Early in the 2014 season, we found that apart from potatoes, the vegetable & fruit plots are nowhere near meeting 2014 targets which now seem much too optimistic. So we reduced 2014 & 2015 targets accordingly.

Tonnes saved year 2 so far=2.20
SAVED OVER 2 YEARS SO FAR
=3.89 TONNES CO2E

plus any non-produce savings –for example from the 2 tonnes of pavings collected from house-holders and used by us instead of going to landfill, and more than 2 tonnes of rainwater collected for use instead of drawing on public water supply. Because of our location in Penicuik's main close-to-town recreational walking area, more visitors and helpers come to the Lost Garden on foot, bike or as passengers rather than as car drivers.

WASTE NOT WANT NOT, a tale of Lost Garden POTATOES

TABLE GRADE are our standard high quality organically grown potatoes selling at £1.60 a kilo

COOKS GRADE have some blemishes, small holes or greening that can be removed with a little knife work. They sell at £1 a kilo

SOUP GRADE are not sold but used directly by the Lost Garden team in our weekly soups, along with our top quality produce.

We've established and developed our Waste Not Want Not brand of Cooks Grade potatoes to encourage reductions in food waste, and our popular Lost Garden soups –at least 20 bowlsful a week in the Town Hall's Saturday Open House– along with our recipes, hammer the message home.

Cooks and Soup grades now make up around 9% and 8% of our potato output and rescue useable produce that otherwise might have gone to waste.

BASELINE SEASON 2011

No crops of any kind for anyone from Lost Garden: Trust awaits lease, project still in planning stage.

PILOT SEASON 2012

To provide estimates of volunteer and land capacity and potato yield for an application to the Climate Challenge Fund in 2013. **Potatoes:** 120 kilos harvested and distributed from a small corner of the garden, the rest remains untilled.

FIRST SEASON 2013

From the potato seed the Trust purchased for the garden, half was sold on to the public at potato Saturdays in Penicuik Town Hall throughout February and
